Note: due to fluctuations in carburettor/ ECI settings, timing, etc. Highway Hawk does not warrant against chrome discoloration. Our exhaust systems are not homologated in most European Countries, except when stated. Not homologated exhaust systems are for off-road and/or show purposes only. All Highway Hawk exhausts/ pipes are mounted right hand side only, except when stated differently.

O.D. = outside diameter

I.D. = inside diameter

(Mounting: may need new gaskets and/or carburettor/ ECI adjustments)

DISCLAIMER EXHAUST SYSTEMS

Purchasers of Highway Hawk systems should satisfy themselves that the product is suitable for its intended use.

90 day warranty from date of retail purchase.

Highway Hawk exhaust systems are covered by this warranty against faulty manufacture and defects in production metals. Any system found to be defective on inspection will be replaced on a one for one basis. No consideration will be given for any and all subsequent labour charges how so ever incurred.

This warranty will not cover any system that has been wrongly fitted, modified or changed in any way.

No warranty is given as regards to chrome plated parts against heat generated colour finishes to the product or the forming of oxidation on systems when in use on the motorcycle.
